(Check One →) **Dates:** January 12, 13, 19, & 20, 2008 (32 Hours / Four 8 Hour Days),
 June 7, 8, 14, & 15, 2008 (32 Hours / Four 8 Hour Days), or

Time: 0800 – 1700

Location: Rio Hondo Fire Academy (11400 Greenstone Ave., Santa Fe Springs 90670)

Instructor: Chief James Brakebill & Chief Gerald Wallace

Cost Per Class: \$25.00 **Due the first day of class.** Cash or check only. Make checks payable to Rio Hondo College. **NOTE:** Course prices are subject to change. Student will be held financially responsible for any increase in course fees.

Designed For: All emergency personnel (police, fire, EMS)

Description: **Module 7** provides a comprehensive description of the responsibilities of the organizational elements within each section of the ICS. Describes the general duties of each organizational element, terminology, staffing considerations, and reporting relationships. **Module 8** describes ways in which incidents and events are organized to ensure achievement of incident objectives. It discusses the steps in organizational development that should take place on the incident/event. The incident briefing is covered. The concept of Unified Command is addressed. **Module 9** discusses the resource management process at an incident. It describes the stages of resource management, responsibilities related to resource ordering, and the use of the Operational Planning Worksheet. Staging areas, demobilization of resources and considerations related to cost-effective resource management are addressed. **Module 10** describes the role of the Air Operations Branch and how to set up an effective aviation organization to support incidents. **Module 11** describes the planning process, the development of incident objectives, strategies and tactics, the use of operational periods, and the planning meeting. It describes the major steps and the personnel involved in the planning process. It includes support plans that may be required for some incidents, e.g., communications, medical and traffic, and it covers the planning for incident or event demobilization. Forms used in preparing the Incident Action Plan are described.

Prerequisites: I-200

Certification Credit: None.

Due to the limited class size, reservations are required. To reserve a seat, please complete the bottom portion of this flyer and fax completed sheet to Myrna Reyes at (562) 941-7382.
